

Bunting template

Here is a template to help your church produce some bunting to celebrate the URC's 50th jubilee:

1. Copy the template as many times as you need, then decorate the letters and triangle backgrounds by using coloured pens, crayons, paint, etc. Be as creative as you like!
2. Find some string or ribbon, copy and cut out the triangles and attach them using sticky tape, a stapler or by a simple stitch if making a fabric version.
3. Hang this to decorate your building as part of your jubilee celebrations.
4. You can download digital versions of the 50th logos and this template at **www.urc.org.uk/50**.
